Cancels/amends/adds Circular letter № - of -

Number of pages: 1

Appendices: -

First Chief Operating Officer Igor A. Baranov

Amends Rules for the Equipment of Sea-Going Ships, Part III "Signal Means", Chapter 4.1, ND 2-020101-073

In para 4.1.8 the last paragraph shall be amended as follows: "The screening of each all-round light shall comply with the following requirement:

$$\theta_2 \leq 360 - \theta_1$$

where θ_1 = screened angle of one all-round light;

θ_2 = screened angle of the other all-round light."

It is necessary to do the following:

1. The above text shall be applied during review of technical documentation and plan approval, as well as during conversion of navigation lights.
2. Content of this Circular Letter shall be brought to the notice of the RS surveyors, interested organizations and persons within the area of the RS Branch Offices activity.
