Amends Part XVIII of the Rules for the Classification and Construction of Sea-Going Ships, 2017, ND No. 2-020101-095-E

We hereby inform that Common Structural Rules for Bulk Carriers and Oil Tankers. Urgent Rule Change Notice 1 to 01 JAN 2015 version will come into force on 1 July 2017.

The document contains the amendments to the IACS Common Structural Rules for Bulk Carriers and Oil Tankers, 1 January 2015 version in respect of determination of loads and stresses, as well as fatigue strength analysis. The scope of the document application is specified in Part 1 to Common Structural Rules.

The controlled copy of the document in English is posted on the RS internal website in the Section "External Normative Documents/1-0231-003-E-A2", as well as on the official IACS website:
www.iacs.org.uk

It is necessary to do the following:

1. Familiarize the RS surveyors and all parties concerned within region of the RS Branch Office activity with the content of the Circular Letter.
2. Apply the above requirements in the RS practical activity.
