Text of CL:

We hereby inform that in connection with the issue of a correction to IACS UR S21A (Corr.1 Feb 2018) in Part III "Equipment, Arrangements and Outfit" of the Rules for the Classification and Construction of Sea-Going Ships, 2018, ND No. 2-020101-104-E, Table 7.10.6.50 shall be amended as follows:

in column "Support material" the words "Plastic materials on steel" shall be replaced by the words "Lower friction materials".

These amendments will be introduced into the Rules at their re-publication.

It is necessary to do the following:

1. Apply the above amendments during the review and approval of technical documentation on ships.
2. Bring the content of the Circular Letter to the notice of the RS surveyors, interested organizations and persons in the area of the RS Branch Offices' activity.
