1+2

Appendices:

Appendix 1: information on amendments introduced by the Circular Letter

Appendix 2: text of amendments to Section 2 "Specifics of Subsea Pipelines Design"

Director General

Konstantin G. Palnikov

Text of CL:

We hereby inform that the Recommendations for Design, Construction and Operation of Subsea Pipelines shall be amended as specified in the Appendices to the Circular Letter.

It is necessary to do the following:

1. Bring the content of the Circular Letter to the notice of the RS surveyors, interested organizations and persons in the area of the RS Branch Offices' activity.
 2. Apply the provisions of the Circular Letter when performing technical supervision during design, construction and operation of subsea pipelines.
