Text of CL:

We hereby inform that the Rules for the Classification and Construction of High Speed Craft shall be amended, considering the experience of technical supervision, as specified in the Appendices to the Circular Letter.

It is necessary to do the following:

1. Bring the content of the Circular Letter to the notice of the RS surveyors, interested organizations and persons in the area of the RS Branch Offices' activity.
 2. Apply the provisions of the Circular Letter during review and approval of the technical documentation on the ships contracted for construction or conversion on or after 01.06.2021, in the absence of a contract – on ships, the keels of which are laid, or which are at a similar stage of construction on or after 01.06.2021.
